Benefit Payment Information

Benefit payments are subject to the applicable: calendar year deductible and coinsurance options you select; annual out-of-pocket limits; applicable copays; exclusions, limitations, and other policy terms and conditions.

Dependent Children, Domestic Partners

Aspirus Health Plan group plans include coverage for dependents up to age 26. (See policy for details.) Optional domestic partner benefits may be available. There may be tax consequences to employees who enroll dependents or domestic partners that do not meet the IRC § 152 definitions of dependents/spouses. Employees should consult with a tax advisor prior to enrolling for this coverage.

Premium and Renewal Terms

We determine your group's premium based on a number of factors, including your group's characteristics and the various benefit design options you select.

You submit the initial monthly premium (unless choosing to make payments using Electronic Funds Transfer), along with your completed application materials, to us. Then, you submit all subsequent premium payments to us along with a copy of the premium notice (unless choosing to make payments using Electronic Funds Transfer). For coverage to continue, we need to receive the premium as required by the policy. A participant's coverage depends on his or her eligibility under the terms and conditions of your Aspirus Health Plan group policy.

Grievance Procedure

If a participant has a question or concern that can't be resolved by our Member Services staff, he or she can file a written grievance detailing the reason(s) for disagreeing with our benefit or claim payment decision.

At Aspirus Health Plan, we define a "grievance" as meaning any dissatisfaction with us or our administration of your health benefit plan that you express to us in writing.

Written requests and copies of any supporting information (such as letters, medical records, clinical reports, or other relevant documents that show the medical reason(s) why we should change our decision) should be sent to:
