## Section 1 - Introduction

---

This directory provides a list of Aspirus Health Plan network providers.

You will have to choose one of our network providers listed in this directory to be your **Primary Care Clinic (PCC)**. The term “PCC” will be used throughout this directory. Generally, you must get your health care services from your PCC. You can see any Primary Care Physician (PCP) at your clinic.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You can receive all covered services on your own, without a referral. If you have been receiving services from one network provider, you are not required to continue receiving services from that same provider.

Out-of-network providers are under no obligation to treat Aspirus Health Plan enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at **715-631-7411 or 1-855-931-4850 toll free**, 8 am – 8 pm, seven days a week. TTY users should call **715-631-7413 or 1-855-931-4852 toll free**. You may also refer to your *Evidence of Coverage (EOC)* for more information, including the cost sharing that applies to out-of-network services.

If you obtain routine care from out-of-network providers, neither Medicare nor Aspirus Health Plan will be responsible for the costs, except as described in the next section. With the exception of emergencies, urgent care, out-of-service-area renal dialysis, or some other services, it may cost more to get care from out-of-network providers.

As a member of our plan, you can choose to receive care from out-of-network Medicare providers. Our plan will cover services from either in-network or out-of-network providers, as long as the services are covered benefits and are medically necessary.

However, if you use an out-of-network provider, your share of the costs for your covered services may be higher. Here are other important things to know about using out-of-network providers:

- You can get your care from an out-of-network provider; however, in most cases that provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If you receive care from a provider who is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive. Check with your provider before receiving services to confirm that they are eligible to participate in Medicare.
- You don't need to get a referral or prior authorization when you get care from out-of-network providers. However, before getting services from out-of-network providers, you may want to ask for a pre-visit coverage decision to confirm that the services you get are covered and are medically necessary. This is important because:
  - Without a pre-visit coverage decision, if we later determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. If we say we will not cover your services, you have the right to appeal our decision.
- It is best to ask an out-of-network provider to bill the plan first. If you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. If an out-of-network provider sends you a bill that you think we should pay, you can send it to us for payment consideration.
- If you are using an out-of-network provider for emergency care, urgently needed services, or out-of-area dialysis, you may not have to pay a higher cost-sharing amount.

When you receive needed care from a provider who is not part of the plan network, you are only responsible for paying your share of the cost, not for the entire cost.

**Attn: DMR Department**  
**Aspirus Health Plan**  
PO Box 22  
Minneapolis, MN 55440-9975

- If you pay the entire amount yourself at the time you receive care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from a provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.
  - If the provider is owed anything, we will pay the provider directly.
  - If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost.
- Mail your request for payment together with any bills or receipts to us at the Direct Member Reimbursement (DMR) address:

### **Emergency and Urgently Needed Care/Renal Dialysis**

**Please note:** Emergency care, urgently need care, and out-of-service-area renal (kidney) dialysis are required under the Medicare program to be covered at in-network cost sharing for both in-network and out-of-network providers.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When you are out of the service area and cannot get care from a network provider, we will cover urgently needed care that you receive from any provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. Aspirus Health Plan provides worldwide emergency and urgently needed care coverage with copays.

### **What is the service area for Aspirus Health Plan?**

---

The counties in our service area are listed below:

Adams, Clark, Columbia, Florence, Forest, Iron, Juneau, Langlade, Lincoln, Marathon,

Marquette, Oneida, Portage, Price, Shawano, Taylor, Waushara and Wood in Wisconsin.

### **How do you find Aspirus Health Plan providers that serve your area?**

---

To find network providers, go to the Table of Contents that starts on page 5. You can search according to the type of providers you need: Urgent Care Clinics, Nursing Homes, Primary Care Clinics, etc. Providers are listed alphabetically by state, county and city.

The dental care network providers listed are those within the Aspirus Health Plan service area and neighboring counties, although the entire National Medicare Advantage Network, administered by

Delta Dental of Minnesota (Delta Dental), is available to members.

Aspirus Health Plan uses a network of mental health and substance use disorder providers in your community. You can get current information about those providers by using the Search Network feature on [www.aspirushealthplan.com/medicare](http://www.aspirushealthplan.com/medicare) or calling the Mental Health & Substance Use Disorder Triage Line at 715-631-7442 or 1-855-931-5264 toll free. Hours of service are 8 am – 5 pm, Monday – Friday. If you are hearing impaired, please call our

TTY line at **715-631-7413 or 1-855-931-4852 toll free**. After hours and on weekends, member calls will be answered by the Aspirus Health Plan 24/7 nurse line.

The chiropractic care network providers listed are those within the Aspirus Health Plan service area and neighboring counties, but the entire network, also known as ChiroCare and administered by Fulcrum Health, Inc., is available to members.

## Aspirus Health Plan Network Pharmacies

---

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Aspirus Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 25, 2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

## Online Care and E-visits

---

In addition to in-person doctor’s office visits at an Aspirus Health Plan network provider, you also have access to E-visits through *virtuwell*® at [www.virtuwell.com](http://www.virtuwell.com). Get a diagnosis, treatment plan, and prescription (if appropriate) for a variety of minor conditions (e.g., allergies, sinus infections, rashes). These services are available 24 hours a day,

If you have questions about Aspirus Health Plan or require assistance in selecting a PCC, please call Customer Service at **715-631-7411 or 1-855-931-4850 toll free**, 8 am – 8 pm, seven days a week. TTY users should call **715-631-7413 or 1-855-931-4852 toll free**. You can also visit [www.aspirushealthplan.com/medicare](http://www.aspirushealthplan.com/medicare).

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with a © to distinguish them from other pharmacies in our network that offer standard cost sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts. For more information, please contact us or see the mail order pharmacy section of this directory.

We also list pharmacies that are in our network but are outside the service area, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the pharmacy sections in this directory or contact Customer Service.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Aspirus Health Plan Customer Service.

seven days a week, without an appointment. Be sure to create an account and provide your insurance information at the time of your online visit. You have unlimited access with \$0 copayment.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Express Scripts Mail Order Pharmacy at **1-877-567-6320 (this call is free) toll free**, TTY users call **1-800-716-3231 (this call is free)**. You may also login to [www.Express-Scripts.com](http://www.Express-Scripts.com).

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at:
